

Understanding Opta data widgets

All Opta widgets are fully customisable, easy to implement and hosted by us. There are dozens to choose from and are split into three tiers depending on the level of detail - Core, Classic and Performance.

About Opta's Classic Data widgets

Classic Data widgets offer a huge variety of options for a digital publisher. These widgets include detailed statistical data and a limited level of interactivity.

Opta's range of Classic Data widgets will transform the way you publish sports data on your website. Easy to implement, configure and brand, our hosted widget based solution means you never need struggle to integrate feeds again.
